

Vacanze sicure all'Arborina Relais

Dear Guests,

A holiday in Langa means nature, outdoor spaces, pleasure, good food and wine but mostly peace and quiet and exclusive. To offer you all this, we have transformed the way we work. To guarantee a stress free and safe holiday Arborina style, we have set up new opportunities for our Guests:

Cancellation policy

More flexible cancellation policy and it will be possible to draw up an insurance policy!

Safe breakfast

You can choose to have breakfast in the privacy of your Suite or in the breakfast hall with dedicated service to your table. The choice is up to you! The style and the quality of our special breakfast does not change, in fact we will take this chance to spoil you even more with a dedicated service!

Access to the spa and to the swimming pool

Relaxing in our SPA and in our swimming pool will be guaranteed with safe distanced sunbeds, but with regulated access as to guarantee peace and safety to everyone. The SPA is only accessible upon reservation and in a private way.

Sanitary safety

Our rooms have always been sanitised before the arrival of the guests and we will keep doing that according to the WHO guidelines. Furthermore, our guests can be assured that each room has its own individual forced-air appliance, and they will receive hand sanitizers and masks.

Check-in and online concierge

Our Reception, ready for any emergencies, can take care of you also online, starting from the check in procedure that can be activated on your mobile phone before your arrival. Upon the arrival, the devices MANET (smartphones as loan for use) will be at your disposal during your stay. Thanks to MANET you will be able to chat or make a reservation for extra services directly from your room, without leaving the comfort, the relax and the safety of your Suite!

Thanks to our spirit of hospitality and adaptation, we will spoil you as always and we will guarantee a tailor made and exclusive service... even in a time like this one!

Do not hesitate to contact us for further information, let us take care of you!
