NO RULES

A culinary journey that transcends traditional boundaries and awakens curiosity for the unexpected.

No dishes are revealed in advance: the only rule is to allow yourself to be delighted. Each course is a creation of Chef **Fernando Tommaso Forino**'s unfettered imagination, inspired both by personal memories and the rich local tradition. With the arrival of autumn, **the celebration of the Alba White Truffle** - an emblem of our region - is, of course, indispensable, celebrated through an unprecedented culinary journey.

Guests may choose between a 5 or 8 course tasting menu. From there, **No Rules** unfolds thoughtfully, taking into account your preferences, allergies, and dietary restrictions, always with the utmost respect for each ingredient.

Two tasting experiences are offered:
